Rationing Board Gives Motorists Information

According to information received from the California Department of Motor Vehicles, 1945 registration plates must be obtained prior to midnight February 4, 1945. As much as owners of automobiles will be receiving new license plates as the gasoline panel of the new War Price & Rationing Board desire to inform all motorists it will be necessary to obtain the new number on their rationing record and on face of their ration book. It is not necessary to write the registration number on the ration book that already bear the new license number. Each delay in the purchase of a new gasoline ration book will be avoided if the motorists will co-operate and enter new registration number immediately upon receipt of the plates.

Scout members exchanged Christmas presents and presented Scoutmaster Dietrich with a gift in appreciation of his loyalty and untiring efforts in behalf of the Troop. Havey, president, on behalf of Scout Mothers, presented the Troop with three Scout pup tents and various cooking utensils. District Commissioner Maurice Witting and Neighborhood Commissioner Coe spoke with interest to the audience about Scout activities and accomplishments. Members of the Troop Committee were Scoutmaster Dietrich, Scoutmasters Lux and San, and the Messrs. Buckner, Mowling, Browning and Morrison.

January Meeting Scheduled for New Cub Pack

District Commissioner Maurice Witting states that the new Albany Cub Pack will hold their fourth organization meeting early in January to complete the registration for the committee and Deners. This pack is being organized under the direction of chairman Mason Layton, who states that this pack is necessary to accommodate all the boys who wish Cubbing experience in joining the Boy Scouts.

Dies in Crash

LT. DONALD A. MURISON

Second Lieutenant Donald A. Murison, 20, U. S. Army Air Corps, a member of one of Albany's oldest families, was killed in an airplane crash at Hollandia, Dutch New Guinea, on November 22, according to a War Department telegram received by his parents, Mr. and Mrs. George L. Murison, 1069 Cornell Avenue.

In additional information contained in a letter from a flying companion of their son, the Murisons learned that the young officer, a veteran of 13 missions in the South Pacific, was instantly killed when his plane crashed in a test flight. Military services were held.

Lt. Murison, grandson of the late Mr. and Mrs. A. L. Lindquist, who were among Albany's first residents, was a graduate of Albany High School with the class of 1942. Besides serving as Student Body president in his senior year he played guard and was captain that year of the "B" basketball team.

He received flight training at Santa Ana and Hemet, California, and Tucson, Arizona, winning his wings at La Junta, Colorado, in January of this year. The young lieutenant had been in the Pacific theatre of war for five months. He formerly was a member of Troop 46, Boy Scouts. Besides his parents he is survived by three sisters, Mrs. Lois Botham and Florence and Arlene Murison.

Following is a letter received by Lt. Murison's parents from one of his flying mates:

New Guinea, December 4, 1944, 9:45 a.m.
My Dear Mr. and Mrs. Murison:
I really don't know how to start this letter. It is very difficult to say in words what you feel deep down inside.

I know this has struck you very hard, and what I say or anyone else says can't do much good.

Don was everything to you. When he came overseas part of each of you came with him. He and I kept each other from getting homesick. Now it is going to be a bit harder because Don took part of me with him.

He loved flying. He was happy

New License Plates Ready

New license plates—the first in four years—will be available to motor vehicle owners of Albany beginning next Tuesday morning, January 2nd.

The registration renewal office serving this area is located at 1951 Sacramento St., Berkeley.

Only one plate will be issued for each vehicle and it will be displayed on the rear. The vehicle owner may obtain the plate by presenting his 1944 Registration Card (white slip) and the correct amount of the fee as shown in the lower left portion of the card.

Neils Nielsen, manager, emphasized that the 1944 Registration Card must show the present address of the applicant and that if the applicant has moved he should cross out the old address and print in the new carefully in ink. The 1945 Registration Card will be mailed to the address shown on the old card.

From Sacramento, Gordon H. Garland, Director of the Department of Motor Vehicles, announced 1945 plates and certificates may be ordered by mail by forwarding the fee and 1944 Registration Card to the certificate issuing office nearest the applicant's present address. Vehicle owners of this area who desire to conserve their gasoline and tires by using this method should mail applications to the Department of Motor Vehicles, 1107 Jackson Street, Oakland.

Currency should not be sent by mail in payment of registration renewal fees and the Department will assume no responsibility for its loss! Use Postal, express or bank money orders, certified or cashiers checks.

Renewal fees become delinquent at midnight February 5th and are subject to heavy penalties thereafter.

According to Executive Secretary Elmer Coble of Albany's Y.M.C.A., Junior Hostesses are pooling plans with senior members, servicemen and the 'Y' to make their coming New Year's party Saturday night a success.

Refreshments will be plentiful, good music will be provided, and a program is now being arranged. Beverly Lowe has been appointed program chairman for all activities during January and is to act as chairman for the 'Y's' "Old and New Year's Eve dance."

Senior hostesses are Mrs. C. E. Perkins, Mrs. Irene Jungnickel, Mrs. C. Noe, Mrs. Wallace Madilla and Mrs. Evelyn Rae. Committee members are Norma Noe, chairman, Evelyn Butorac, Lida T. Beemer, Pat Sherwood, Carley Crane, Marie Tassie, Madelyn Hunnrick, Barbara Williams and Jean Esperance.

Servicemen particularly active on committee arrangements for special features of the dance include a Marine veteran, Dom de Giglio, wounded during combat in the Pacific area, Jimmy Greene, Joe Moore and Maynard Hammond of the ALFED.

The 'Y' is open to servicemen for basketball, table tennis, chess games, and puzzles, magazines, and writing facilities are provided.

over here. Everyone liked him and admired him. He told me once that if he had to go he wanted it to be while he was doing what he loved. And I know that wherever he is now, he's very happy.

Also I know you are proud of your son. And I am proud to have known him and been so close to him. I am sure it would ease the pain to listen to the praise he is given by all who knew him. He was the finest boy I ever knew.

If there is anything I can do or tell you, please let me know. I am in charge of Don's belongings and affairs.

His packages are here and I await your request as to their disposal. I arranged the funeral which was full military and very beautiful. I stood in your places.

I am at your disposal—sincerely yours, TOM.

COUNCIL DELAYS ACTION ON MOSQUITO ABATEMENT

As a result of Councilman Frank Hays' absence from Council meeting Monday evening the question as to whether or not Albany will become a part of the Alameda County Mosquito District is still unknown. Other members of the body stated their unwillingness to vote upon this question when any member is absent.

The petition, presented last week by Mrs. Kathie Zahn of Santa Fe Avenue was held legal by opinion of City Attorney Joe Young. Following is the opinion of City Attorney Young:

Hon. City Council:
Re: Petition for Annexation of the City of Albany to Alameda County Mosquito Abatement District.

Gentlemen:

In connection with the petition submitted to the City Council for annexation of the City of Albany to the Alameda County Mosquito Abatement District, which petition was submitted to me for an opinion concerning the validity thereof, I wish to advise as follows:

In form, the petition conforms to the legal requirements of Sections 2200-2398 of the Health and Safety Code of California. I believe it contains a required number of signatures, namely, at least 10 per cent of the number of votes cast in the City of Albany for the office of Governor at last gubernatorial election prior to the time the petition was presented (See Section 2332).

The sections that apply to annexation of a city to any existing mosquito abatement district will be found in Sections 2330 to 2343 inclusive of the Health and Safety Code. Section 2331 states that:

"If the territory is in a city consent to the annexation shall first be obtained from the governing body of the city. An authenticated copy of the resolution or order of that body consenting to the annexation, shall be attached to the annexation petition."

Said paragraph is somewhat ambiguous in that it cannot be ascertained from a reading thereof whether it is in the intent of the legislature that the consent of the city should be obtained prior to the time that the petition is circulated for signatures or whether the consent of the city after the petition is circulated would suffice, and there are no cases on this precise point. However, in the respect, I wish to call the attention of the Council to the following:

The petition as presented to the Council, it will be noted, is addressed

"To the Board of Trustees of the Alameda County Mosquito Abatement District, 1A Court House, Oakland 7, California" and states on the first page thereof (see paragraph 3): "The City Council of the City of Albany has by resolution duly authenticated, requested the inclusion of such municipal corporation in the District."

There is a question in my mind

Albany Theatre To Hold New Year's Eve Show

To provide entertainment for those who will want to spend the old year, 1944, out with no misgivings and usher in the new with greater hopes ahead, the Albany Theatre will continue Sunday night past midnight until 1:30 a. m. with a special early 1945 a. m. chilling and thrilling horror show and with music and varieties.

The regular Sunday to Tuesday show includes a melodrama starring Fred MacMurray, Barbara Stanwyck and Edward Robinson in "Double Indemnity," as dirty a piece of double-crossing as has recently been portrayed on the screen. However relaxation comes with its companion picture in "Slightly Terrific"

After midnight Sunday and the New Year is ushered in the chills begin; horrors of unspeakable nature and Eyes that None Dare Look Into; such is the complexion of the midnight feature "Voodoo Man," starring the most gruesome three-some known to horror: Bela Lugosi, John Carradine and George Zucco. Those coming after 8:45 may stay through 1:30 a. m. for a complete show with no repeats. Children will pay 35 cents and seniors will pay 50 cents.

whether or not the signers of said petition may have believed that the City Council had already passed a resolution requesting the inclusion of the municipal corporation in said district. This is a matter to be determined by the council in considering the entire question. As already stated, there is no certainty that the resolution must be passed by the City Council prior to presenting same to the Mosquito Abatement District. However, if any of the signers believed that the City Council had already passed such a resolution, their signatures would not be completely valid. Obviously, it is not possible for this office to determine the facts in the minds of each of the signers.

However, giving the circulators of said petition every benefit and assuming therefore that the signers knew that the City Council had not previously adopted the resolution referred to on the first page of said petition, the petition is in proper order.

Therefore, if the City Council desires at this time to adopt a resolution which obviously must be appended to the petition before it can be presented to the Board of Trustees of the Alameda County Mosquito Abatement District, it has the privilege and right to do so.

Accordingly, this office has prepared a resolution which may be adopted by the City Council, if it so desires, requesting and consenting to the annexation of the City of Albany to the Alameda County Mosquito Abatement District. Said resolution is attached to this letter, and if adopted by your Honorable Body, a duly authenticated and certified copy thereof should be attached to the Petition and both documents forwarded to the Board of Trustees of the Alameda County Mosquito Abatement District.

Very truly yours,
(Signed) JOSEPH Y-YOUNG,
City Attorney, City of Albany, Cal.

However, Councilman Lawrence Williams pointed out that several weeks ago the council had asked for an opinion from City Engineer Frank Grey and City Health Officer Robert McMahon and that both officials had determined there was no need for annexation. Williams stated he was convinced the resolution was unnecessary at that time and that he has not changed his opinion since then. He then asked that a vote be postponed until such time as a full council membership was present. The matter was tabled when other council members agreed.

Upon recommendation by City Engineer Grey an agreement with the State and the city of Albany for improvements to the Eastshore Highway approach was approved unanimously. Grey stated that while he had requested an overpass approach, the cost had been in excess of available funds, but that improvements to be made would facilitate traffic and decrease hazards.

Albany Federal Declares Dividend

The Board of Directors of Albany Federal Savings and Loan Association at the December meeting declared a semi-annual dividend at the rate of 2½% per annum, payable December 30, 1944, according to a statement made today by W. J. Bowman, president of the Association.

"This has been the most successful year since the organization of our Association in 1928," Bowman said.

"Our savings accounts have increased twenty per cent during the year, while our mortgage loans, made principally to purchasers of homes in this area, have increased thirty-eight per cent."

"In addition to the regular business of the Association, the officers and employees have materially assisted the United States Treasury Department in the sale of war bonds and stamps. This has been done cheerfully as our contribution to the war effort."

"All savings accounts in this Association are insured up to \$5,000 by an instrumentality of the United States Government," Bowman concluded.

New Food Stamp Rules

The Office of Food Administration this week warned that use of invalidated food ration stamps by consumers or merchants would constitute a violation of rationing regulations. It urged housewives to destroy all stamps no longer good.

The Agency also said that the invalidation of certain food stamps had no effect on red tokens, which will continue to be honored. Blue tokens, which have not been used since October 1, will not be returned to use.

Ration stamps NO LONGER good are:

Red Stamps A8 through Z8 and A5 through P5.

Blue Stamps A8 through Z8 and A5 through W5.

Sugar Stamps 30, 31, 32, 33 and 40, together with all home canning coupons.

Stamps which REMAIN GOOD and those which will become GOOD SOON are:

Red Stamps Q5, R5 and S5 which became good December 3. Five additional Red Stamps, T5, U5, V5, W5, and X5, will become good this Sunday, December 31.

Blue Stamps X5, Y5, Z5, A2 and B2. Five new stamps, C2, D2, E2, F2 and G2, will become good next Monday, January 1.

Sugar Stamp 34, which became valid November 16. A new sugar stamp will be made valid February 1.

Many Receive Awards at Cub Pack 3 Meeting

The final quarterly advancement ceremony for 1944 was held by Cub Pack No. 3 Friday evening Dec. 15, in the Marin School Auditorium. A large and very enthusiastic audience of mothers, dads, and friends were on hand to cheer the cubs forward on the road to better scouting.

Richard Varney and Charles Petersen were taken into Pack 3 as bodcats going into Dens No. 3 and 4 respectively. Paul Copel and Morton Wylie received the Wolf Badge. The Wolf Gold Arrow was presented to Phillip Clover, Kenneth DeMaria, Fred Steele, and Chas. Schultz. Kenneth Wise received the silver arrow in the Wolf rank.

Bear Badge awards were made to Wm. Sullivan, Robert Larsen, Norman Davey, Jimmy Wakeman, Russell Clark, Albin Granholt, Charles Berquist, and Richard Robins. The Bear Gold Arrow went to David Brison, Jimmy Wakeman, Walter Hanahan, Richard Pawson, and Gordon Muir. Philip Johannecht, George Garrels, Jimmy Gray, and Jackie Lockhart were awarded the Bear Silver Arrows.

Royal Boggess, Jimmy Gray, Jack Nahmens, and Roy Wilson received the Lion Badge. Royal Boggess, Roy Wilson, and Jimmy Gray were awarded the Lion Gold Arrow. Jimmy Gray was also awarded the Lion Silver Arrow. Two Webelos badges were awarded, one going to Jimmy Gray and the other to Royal Boggess. This is a much coveted award as it is the only insignia which a cub may carry over into the regular scouts and wear on that uniform.

Twenty-three boys received the gold star award which signifies one year of service in the cubs. Following this award Jimmy Gray received a special bronze medal for having completed all requirements and elective achievements in the three ranks of cubbing. The formal graduation exercises were then held with Royal Boggess and Jimmy Gray leaving the Cub Campfire for the Scout Troop of their choosing. Scoutmaster Charles Anderson welcomed the boys into Troop 42.

Following this part of the program the former men active in Cub Pack No. 3 activities were introduced by Cubmaster Crouse. Then came the highlight of a very enjoyable evening with the dens putting on a skit lasting five minutes a piece. Gay nineties scenes, a mock operation, wild west show, scientific experiments, bands both of the swing variety and hill billy were well received by the mothers, dads and friends. Last but not least Santa Claus Dad Platner arrived with a jingle of bells presenting each cub with a gift and a bag of candy.

Killed in Action

LT. ALAN S. LENFESTEY... son of Mr. and Mrs. George C. Lenfestey of Albany, U. C. graduate and former Berkeley Gazette employe, officially reported as killed in action at Leyte on Oct. 31.

Mr. and Mrs. George C. Lenfestey, 1006 Ventura Avenue, Albany, have received official notice that their son, Lieutenant Alan S. Lenfestey, 24, was killed in action on Leyte, October 31.

Alan attended Marin School and is a graduate of Albany High School with the class of 1938. He was an Eagle Scout and formerly assistant scoutmaster of Boy Scout Troop 40 in Berkeley. He was commissioned in October, 1942, as second lieutenant after completing ROTC at the University of California in 1941.

After training in the U. S. Army, Lieut. Lenfestey was sent as a replacement to the Seventh Division, in February, 1944. The famed Seventh took a leading part in the invasion of Leyte. He was slightly wounded on October 20 but was back in the lines within a few days. However, within another week, he was fatally wounded.

Lieutenant Lenfestey was the son of George C. Lenfestey and Dorothy S. Lenfestey, Albany residents since 1915. One brother also survives him, George Crosby Lenfestey, Jr., 18, now in training at Camp Wolters, Texas. His grandfather, William G. Lenfestey, pioneer Berkeley resident, and his grandmother, Mrs. Eleanor V. Searle of Oakland, also survive the young lieutenant.

War, Community Chests Plan Joint Dinner

Plans for a joint annual dinner meeting of the Community Chest and the War Chest were today under way with the announcement of appointment of Committees on arrangements and nominations.

The meeting has been set for Tuesday evening, January 16, at the Y.W.C.A. Cottage. Letters have been mailed to all civic, fraternal, religious, charitable and service organizations of Berkeley and Albany, inviting the appointment of voting representatives to the General Councils of the two Chests, according to Robert R. Porter, executive secretary.

The nominating committee, appointed jointly by War Chest president Dr. Vere V. Loper, and Community Chest president G. Van Ende, will present nominations for officers and directors at the annual meeting. Members of the Committee are: A. R. Udall, chairman; Mrs. S. M. Marks, Jeffery Cohen, Paul Bryan, Kent Pursel, Dr. Chas. G. Hyde and Delbert Sarber.

Arrangements and program for the dinner meeting are being made by the following committee: Phil McCombs, chairman; Miss Leil Anderson, Alfred E. Maffly, Mrs. James Mullenburg, Mrs. Bartlett B. Heard, Mrs. T. L. Prentiss, Joe Davis and John Uhlman.

Details regarding reservations for the dinner, to which the public is invited, will be announced at a later date, according to Porter.

Porter also announced that payments made to the War Chest by December 31 may be used in computing income tax deductions for the year 1944.

"Many subscribers who have pledged payment for next year may prefer to pay during 1944 in order to have the tax saving benefit apply to this year's income rather than to that of 1945," Porter stated. "The Chest does not request such advance payment, but merely calls this to the attention of those who may wish to be reminded."

Tax credit is allowed during the year in which payment is actually made, regardless of the time at which a subscription was signed, Porter states.

STARLETTES CLUB

The Starlettes Club of Thousand Oaks O.E.S. held their annual Christmas party at the home of Inez Street with Evelyn Ryder and Alice Andrews as co-hostesses.

Forty-three members were present for the exchange of gifts and the initiation of nine new members, Donna Conquest, Gloriana Bush, Clara Jones, Laura Ross, Irene Holt, Alice Andrews, Evelyn Ryder, Esther Kitchel, Mildred Robinson and Eleanor Weir.

The nominating committee presented the names of officers for 1945. President, Martha Jean; vice-president, Doris Harding; secretary, Elizabeth Walker; treasurer, Evelyn Ryder. All were elected.

Just steam press them at home yourself! You'll find that the only sections that require frequent pressing are the trouser legs, coat sleeves, and back. Ladies Aid Society Elect Officers
At a meeting of the Ladies Aid Society of Grace Lutheran Church, in their Parish Hall recently, the following officers were elected:
Mrs. Anita Leschot, president; Mrs. Helen Flint, vice-president; Mrs. Cordula Schinnerer, recording secretary; Mrs. Pauline Sparler, corresponding secretary; and Mrs. Rose Lindner, treasurer.
The Society bought \$500 worth of War Bonds during the 6th War Bond drive.
Following the meeting and election, the members and their friends enjoyed their annual Christmas party. The tables were attractively decorated with greens and small Christmas trees and other colorful Christmas favors. Gifts were exchanged and carols sung.
The committee in charge of the Christmas party were: Mrs. Emily Deesen, Mrs. Sarah Derthick, Mrs. Helen Flint and Mrs. Edith Hafstad.

—There was a piano in nearly every home, and Junior had to practice an hour before going out to play? That was the longest hour in his day. He watched the clock while he laboriously did his finger exercises. The clock kept better time than Junior. Remember?

Editor, Albany Times,
Albany, California.

Dear Editor:

During the past several weeks I have been busily engaged securing the signatures of registered Albany voters in order to qualify a petition that will result in making the City of Albany a part of the Alameda County Mosquito Abatement District.

I wish to thank you all for your support in publicizing this worthwhile community enterprise in your paper. At the same time I would like to take this opportunity to thank the many hundreds of Albany voters who supported me by signing this petition and thereby making our annexation into the Alameda County Mosquito Abatement District possible.

(Signed) KATHIE ZAHN.

Science Churches

"Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else" (Isaiah 45:22) is the Christian Science Golden Text for Sunday, January 7.

In this Lesson-Sermon on "God" one of the Bible citations is from the 119th Psalm, "I have longed for thy salvation, O Lord; and thy law is my delight." A corrective passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, reads: "Let us banish sickness as an outlaw, and abide by the rule of perpetual harmony—God's law." (p. 381).

**BERKELEY WILL
Have Two Salvage
Drives in January**
Berkeley will start the New Year
off right with two salvage drives
scheduled for the month of Janu-
ary.
A city-wide collection of paper
will be held Sunday, January 7
and tin cans will be picked up two
weeks later on January 21.
Announcement of the two drives
was made today by Emery Stone,
chairman of the salvage division of
the Berkeley War Council.
Local fire stations and the garbage
department have collected and
turned over to the war effort more
than 330,000 pounds of waste paper
since the last city-wide collection
September 24. Junior Commandos
have been feeding the paper into
fire-houses as part of their home-
front "battles" and are credited with
salvaging about 69,000 pounds of
paper.
The last tin drive, held October
8, is regarded as one of Berkeley's
most successful and it is hoped
that the record of 105 tons turned
in will be topped in January.
"Berkeleyans cannot afford to
slacken in the salvage efforts which
are so vital to the war and which
in 1945 will bring us one year closer
to Victory," Stone declared.

CADET CORPS
The Albany High School Cadet
Corps which regularly meets every
Tuesday and Thursday mornings at
7:30 o'clock will have but one drill
period when school reconvenes the
first week in January. The Tuesday
morning session will be cancelled.
The Cadet Corps is preparing for
this semester's inspection to be held
in January.

State Leads in Employing Vets

"California is way ahead of every other state in the U. S. in employ-
ing returned veterans in the Fed-
eral Government," it was announc-
ed today in San Francisco by
Harry T. Kranz, Regional Direc-
tor of the 12th Region of the U. S.
Civil Service Commission.
During the month of November,
3,159 veterans were placed in jobs
in the Federal Government in Cal-
ifornia under civil service. This is
an all-time high mark, and makes
the sixth consecutive month that
California has led every other state
in the nation, according to figures
just released from Washington, D. C.

New York state was second with
1661 Veterans placed. The seven
other leading states in order are:
Washington, 994; Pennsylvania,
729; Texas, 638; New Jersey, 607;
Virginia, 549; Illinois, 463; Massa-
chusetts, 348.
California, which is part of the
12th Region, placed more veterans
during this period in Federal jobs
than any one of the other entire
Civil Service Regions, which are
composed of from two to six states
each. California also placed more
veterans in November in Federal
jobs than 6 complete Regions com-
posed of 25 States all put together.
"An interesting fact about this
record is that 97 per cent of the
3159 veterans given jobs in the
Federal Government in California
during the month of November
were employed by the War and
Navy Departments," stated Clare
McCorr, Regional Veterans Federal
Employment Representative in
this Region, in charge of the pro-
gram.
"After being honorably discharg-
ed from the military service, these
veterans want to continue to help
the war effort by working in a
war or navy establishment until the
job of licking the Axis is complete-
ly finished."
